General Table Terms

Term means students are to complete 4 terms per year, each term consists of course requirements such as assignments or tasks.

Administrative Date is the date in which students are required to enrol by or prior to as this gives staff time to complete all the documentation, plus audition & special admission tests for newly enrolled students.

Students eligible to request for FEE-HELP assistance are to do so on the Administrative date. (Dates listed in above table)

Documentation must be submitted on the Administrative date, students will be notified of the outcome on the day or following day.

Enrolment forms and theory paper will be requested also and approved once all eligibility requirements have been made.

Course tuition fees are to be made on the administration date, (Dates listed in table above) these are 25% of the annual fee.

Start & End Dates are the starting and ending dates of each course semester.

Close of Enrolment is the final date in which a student may enrol by yet this is not recommended, the administrative or month prior to the course semester is preferable.

Withdrawal Date is if a student wishes to withdraw prior to or on the Census date and not by the withdrawal date they may receive a fail grade for the unit of study and/or course of study they are enrolled in for that semester. See table below for dates.

Census Dates for units of study are the closing dates for a student to apply for FEE-HELP assistance for that unit.

EFTSL is equivalent full-time student load. It is a measure of the study load, for a year, of a student undertaking a course of study on a full-time basis.

Unit of Study means a subject or unit that a student may undertake with a provider as part of a course of study in which the student may access FEE-HELP to pay for all or part of their tuition fees for that unit.

Unit of Study Code

Full time and part time study for each semester unit numbers change each semester and either end with 1, or 2. They have their own unique code in which the provider has set that best describes the subject content.

The following tables refer to FT, PT1 and PT2; these terms mean Fulltime and Part-time study plus which year of the course. Such as (PT1) Part time year 1 or (PT2) Part time year 2, students will complete units in 2 years if part time and units are broken up over those 2 years with equal weight.
