

AUSTRALIAN GUILD of MUSIC EDUCATION

GUILD

The Australian Guild of Music Education Inc. is a national education body in the fields of music and speech. The organisation consists of two parts that come under the umbrella of the *Guild*.

The Australian Guild of Music Education, Music and Speech Public Examination Division, is the Public Examination authority for Music and Speech - Steps, Grades, Proficiency and Diplomas. This division has assumed all the functions of the Australian Guild of Music and Speech Inc.

The Australian Guild of Music Education, Tertiary Course Division (Faculty of Music) is dedicated entirely to Distance Education and Tertiary Courses which culminate in the Bachelor of Music Degree - accredited by Higher Education Authorities - Commonwealth Government (Canberra) and the State of Victoria. Eligible students may apply for FEE HELP, VET FEE HELP and Austudy.

STATUS

The Australian Guild of Music Education Inc is organized as a non-profit Public Education Institution without share capital or other commercial attributes. It is governed by a Committee of Management and its funds and property are vested in the organisation. They are devoted solely to the advancement of the Arts of Music Education and Drama in Australia, New Zealand and Asia, as set forth in the Statement of Purposes. All members of the Committee of Management perform their services in an honorary capacity. (The *Guild* is an independent Australian Institution). It was formed in 1969 as the Australian Guild of Music and Speech and since that time has established its own character and traditions, it has been given immense and constantly increasing public support.

In 1986 the Australian Guild of Music Education Inc. (AGMED) was formed and under its authority all accredited and registered Tertiary Courses, which include the Bachelor of Music. All operations (including public examinations) were assumed under the umbrella of the AGMED in 2002.

Both Divisions of the Guild are recognized as being innovative and progressive. Today, the accredited and approved Courses of AGMED, which include the Bachelor of Music Degree and VET courses from Certificate I to Advanced Diploma as well as the *Guild* Fellowship, Public Performance, Licentiate and Associate Diplomas, are much sought after qualifications.

The *GUILD* conducts thousands of public music and speech practical and theory examinations every year through an Australia wide system of graded examinations. The *GUILD'S* music and speech education program has expanded into Malaysia (Kuala Lumpur, Ipoh, Penang and the Eastern area) as well as in Singapore. The organization is very supportive of teachers and their students.

ACADEMIC DRESS

The academic dress worn on ceremonial occasions like Graduations derives from what was everyday clothing in the distant past. Like so much else in Australian Universities, it is part of a distinctive British tradition. The general character and component parts date from the middle Ages, when universities were first established in the western world. For graduate members, medieval universities prescribed three garments: cap, gown and hood.

Gowns were then the principal outer garment worn by both men and women. The hood, also an article of everyday clothing for men and women, comprised three parts, all lined with fur. Hoods of this character, still trimmed with fur, form part of the official regalia of English judges and peers of the realm to this day.

The Tudor version of this dress, stripped of most of its ecclesiastical features at the Reformation, is the basis of present day academic dress. The distinction of round caps (Bonnets) for the most senior graduates was preserved. The gown was worn on top of ordinary dress. The distinction between Bachelors and Masters on the one hand and most senior graduates – Doctors – on the other, extended to gowns as well. Introduction of the new degree of PhD into British Universities occurred in the early twentieth century.

Faculty colours are chosen by Universities individually. The Australian Guild developed its own distinctive colours when it was formed and chose blue with a sky blue lining. The Guild's recognition of the PhD Degree resulted in a distinctive "doctor's red faille" with white braid on both sides down the front of its blue gown. University Doctorates always wear a gown of light weight material with the long sleeves and the hood lined in an appropriate colour.

The Guild acknowledges James Cook University as the principal source of the above historical data. In 2001 James Cook University broke with tradition and changed the colour of its bachelor and master academic dress to black – previously tropical beige.

The opening segment of the Guild Graduation Concert is presented by students from the Faculty of Music. Most of these students are enrolled on the Bachelor of Music course, which is a highly regarded professional course in music. However, most of these students have only been together since March of this year as a group. Therefore, they have had less than six week’s preparation for these items. All students, regardless of their study major, must participate in the Choir and Ensemble segments. There is less than an hour a week devoted to the development of these choir and ensemble groups, which also include a wide variety of different music styles.

Further items are presented by students from the Music and Speech, Public Examinations Division and represent the wide variety syllabi administered by the Guild and taught by our registered private teachers. They cover both music, and speech and drama items.

The concert items are interspersed with the presentation of the various public and tertiary testamurs, awards and prizes. The name of every recipient is included in this program, but only those who have indicated that they will be present will be read out during the ceremony.

CONGRATULATIONS

The *GUILD* extends congratulations to all new Graduates. Please note that all Graduates should now register with the AGMED, Public Examinations Division, as a member of the Teachers Register. The office will supply full information.

Graduates, please stand.

Your achievement today carries with it an obligation to uphold the traditions associated with your art and those of the Australian Guild of Music Education.

You are each charged to extend your researches, activities and horizons within the parameters of the music or speech discipline in which you have already excelled, and to give selfless leadership to the community of which you are part and which has nurtured you.

Each of you is reminded to be persistent, yet humble in your pursuits; to be true to yourself, and above all, to give unswerving loyalty to those whom it is your privilege to guide and assist.

Remember, that your gift is a stewardship.

Squander it not. Acquit yourself well.

 Our land abounds in nature's gifts
 of beauty rich and rare,
 In hist'ry's page let every stage

GUILD AGMED Emblem - Logo What does it mean?

The Guild logo was designed in 1960 by the founder of the organisation, *Gordon Blake* and was adopted as the official logo in 1969. The design reflects the English origin of the public music examination system which commenced in that country in the 19th century. During the last three decades of that period, the system was introduced into Australia.

The overall Heraldic design of the Shield is intentionally symbolic of the pomp, ceremony and ignorance of the Middle and subsequent Ages. The small icon in the top left hand corner of the Cross of St. George is a Wizard's Hat, symbolizing wisdom. Overall, the Cross of St George divides the whole Shield into four conceptual sections, which, from left to right are:-

Southern Cross. (Australia)

Cross of St. George. - Chivalry. Honour.

The Harp. - Universal Music.

Speech, Drama and the Arts. - Theatre.

The motto at the bottom of the Shield is *Concordia et Fidelitas* which signifies Harmony and Loyalty. It is upon these concepts that the Australian Guild Conservatorium has been built.
